Date of incorporation	15.06.88
Registration with Modena's Chamber of Commerce and Industry (C.C.I.A.A.)	number 246715 of 06.07.88

WHAT ARE THE AGENCY'S MAIN ACTIVITIES?

Poleis is an independent institute which provides expert services (research, analysis, programming, planning, monitoring and evaluation) in several policy fields – namely, training, labour and local development policies. In order to carry out its activities, Poleis relies on a network of professional consultants and experts. The agency has developed professional and scientific partnerships with other research institutions and universities, both in Italy and abroad.

WHO DOES THE AGENCY COOPERATE WITH?

The agency provides services for and cooperates with public administrations (Regional, Provincial and Municipal governments), training agencies, interest groups, and national research institutes.
